

# Sewer Swarm AI – Replit Dashboard Roadmap

---

## Sewer Swarm AI – Dashboard

Can you create a prompt for Replit to build the following:

### 1. Subscription-based platform

### 2. Create a Home page that includes:

- Login
- Pricing/subscription options
- Free trial for 1 report
- “Per report” option: when selected, a popup should ask:
  - Is the report 1–10 sections, 1–25, 1–50, 1–75, 1–100, or over 100?
  - Each option will have a different price.
- Offer monthly and yearly options, priced per user.
- User details required:
  - First name
  - Last name
  - Company
  - Company address
  - Email
  - Phone number
  - Payment method (link to Stripe with all normal payment options)

### 3. Create a Dashboard page where:

- The user can upload a PDF or .db file coded to WRc/WTI OS19/20x MSCC5R standards.
- Upon pressing the upload button, show an option window to select the applicable sector and standards:
  - Utilities:
    - MSCC5: <https://wrcknowledgestore.co.uk/collections/all/products/manual-of-sewer-condition-classification-5th-edition>
    - Drain & Sewer Cleaning Manual:  
<https://wrcknowledgestore.co.uk/collections/all/products/drain-and-sewer-cleaning-manual>
    - Drain Repair Book (4th Ed.):  
<https://wrcknowledgestore.co.uk/collections/all/products/drain-repair-book-4th-edition>
  - Adoption:

- Same as above plus:
- Sewers for Adoption 7th Ed.:

<https://wrcknowledgestore.co.uk/collections/all/products/sewers-for-adoption-7th-edition-a-design-construction-guide-for-developer>

- Highways:
  - Same three core WRc docs plus HADDMS guidance

- Domestic:
  - MSCC5, Cleaning Manual, and Repair Book

- Insurance:
  - MSCC5, Cleaning Manual, Repair Book
  - Plus current insurer's technical standard or override

- Construction:
  - MSCC5, Cleaning Manual, Repair Book
  - Sewers for Adoption 7th Ed. (guidance only, not enforced – for private drainage adoption)
